

Dear Parents:

Happy New Year and welcome to 2016! I hope everyone had a great holiday season. The New Year is always a time to reset, renew and make those resolutions in order to have a successful year.

One thing that is important after an extended holiday is to quickly get back into successful routines. It is known that children are more successful if they get into predictable routines at home and school. This includes predictable learning, sleeping and eating habits... as well as some quality down time! The winter months are generally where schools get into the heart of the curriculum, so healthy habits including sleep and fresh air are very important.

Fresh air is something that is known to increase healthy thinking and living. In the winter months, we tend to spend more time inside, so it is important to make a point of scheduling some outside activity on a regular basis.

I look forward to having a great 2016!!

At Dufferin Elementary, our aim is to develop students' knowledge, skills and attitudes so that they can reach their full potential and become contributing members of society.

SCHOOL OFFICE HOURS

Please note that the school office hours are from **8:00am to 3:30pm**. If you are attempting to reach the school by telephone, please note that generally no one

is available to answer the telephone outside of these hours.

SAFE ARRIVAL PROGRAM

Our school operates a "Safe Arrival Program." In order for this program to operate smoothly it is imperative that parents let us know if their child is going to be absent prior to the morning bell.

Please contact the school prior to the start of classes if your child will be absent OR late. **THIS IS EXTREMELY IMPORTANT AS WE WILL BE USING A NEW ATTENDANCE SYSTEM THIS YEAR.**

The school phone number is: 250-374-4425 or email Ms. Norton at anorton@sd73.bc.ca Please include a reason for the late or absence.

DAILY BELL SCHEDULE

A copy of the bell schedule can be found on the school website (<http://dufferin.sd73.bc.ca>) under General Information and Schedules.

PARENT ADVISORY COUNCIL (PAC)

Our next PAC meeting will be on:

Monday, January 04 @ 7pm (at the school)

All parents are encouraged to attend and become actively involved at the school. Child minding is available upon request.

A **BIG** thank you to all the parents who have participated in all our fundraisers so far. Without you the PAC would not be able to support the school and our children the way we do! Having said that, we are always looking for more people to come out and get involved, especially parents with children in the primary grades.

SCHOOL T-SHIRTS & JERSEYS

School T-shirt orders and jerseys are now available to order at the school.

MATHLETICS

The school, supported by the PAC is continuing with our

Mathletics online program. Teachers will be giving their students a Mathletic account, which includes a password and user name. Students can access Mathletics at home through the website: <http://www.mathletics.ca/>

If you would like to access this program and do not have a user name and password for your child, please contact your teacher for information.

STUDENT/SCHOOL SAFETY

Please be aware that parents and visitors should check in at the front office before they proceed into the school.

Also, if you need to be in the school, please make sure you use the front doors. Thank you in advance for observing this precaution for the safety of your children.

Thanks again for helping us keep our children safe!

TRAFFIC AND PARKING

As the weather gets worse we would like to remind parents to be EXTRA careful while driving through our school zones and in our parking areas.

MOTHER GOOSE

A reminder that our Annual Mother Goose program for pre-schoolers will be starting on January 14. Please stay tuned for how to sign up and participate. There are a limited amount of spaces and they fill up quickly.

LIBRARY

A reminder that FAMILY LITERACY WEEK will be coming up. This is happening from January 25 to 29! During that week we will be encouraging students to "unplug" and spend time reading and playing. We will also be collecting gently used children books for the Kamloops "Heap the Honda" campaign to distribute in the community. Stay tuned for more information.

The annual book swap is on January 13th in library. All leftover books following the swap are donated to the Heap the Honda book drive for the Kamloops Literacy Committee. We'll be starting book collections Thursday, January 7th this week.

NON-INSTRUCTIONAL DAYS

Please note on the school website and newsletter calendar, the Non-Instructional Days for 2016. There are two additional provincial days for the next three years in order to implement the new curriculum. For the 2016 school year, those days are **January 22 and April 4**. Teachers and staff are working but there is no school for children on these days.

ANNUAL SUN PEAKS SKI TRIP

Our annual Sun Peaks ski trip for grade 4-7 is tentatively booked for January 28 and 29. Registrations will start going out right away when we get back from winter break.

Cost will be determined in the new year. Prices may vary if you have your own equipment or ski pass. Lessons are mandatory.

BASKETBALL

Basketball season will be starting right away. The league begins on January 18. Practice times and dates will be announced. We have enough interest by students to have six teams this year! If we don't have enough coaches we may have to rotate students (only play every other week) or have to consider making cuts. For skill development, we would rather not have to make cuts on elementary teams. IF YOU ARE INTERESTED IN COACHING OR REFEREEING, PLEASE CONTACT THE SCHOOL.

We are also in desperate need of volunteer basketball referees for our home basketball games starting in January. If you can help out with this and help our children contact the school

(250-374-4425). Games are typically on a Tuesday, Wednesday, or Thursday from about 3pm to 4:30pm. Little experience necessary.

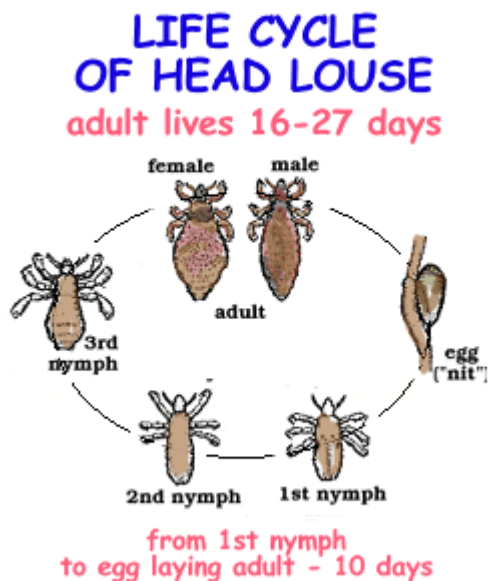

FOUNDATION SKILLS

ASSESSMENT (FSA)

Students in grades 4 and 7 will be writing the Foundation Skills Assessment (FSA) again this year. This is a provincial assessment based on the required learning outcomes in reading, writing, and numeracy. The assessment will be administered between **January 11 and February 12, 2016**.

All students in grades 4 and 7 in attendance during those dates are required to write this assessment. Please be aware that according to the School Act in BC, parents, teachers or principals **CAN NOT excuse** students from writing the assessment. The exception: the principal can excuse a student if they have a diagnosed special need that prohibits them from being able to take the assessment.

HEAD LICE

During the Winter Holiday we often get break outs of Head Lice. This is due to the fact that families and friends are visiting from all over and children and adults are often exposed during the holiday season. Please take extra caution during the holiday! Also be aware, head lice often take up to two weeks to hatch, therefore head lice break outs in January are often due to exposure that occurred during the holiday season.

It is recommended to parents that you **check your children at home at least once a week!** If you find any, please treat them immediately and report it to the school so that we can take steps to keep them under control. The school handles any reported cases confidentially.

More information about head lice and how to control them can be found on our school website. Thank you in advance for helping with this. Vigilance from the home is the best way to control the spread of head lice. Remember, it isn't enough to just use the shampoo. Some lice are immune - so removal of all the nits (eggs) from the hair after treatment is necessary or they can hatch and re-infest. It only takes one live louse to lay hundreds of eggs.

SKATING

Dufferin will be continuing the skating program in January. The following is a schedule for you to refer to:

Jan 5: Eacrett
Jan 12: Bamsey / McGarry
Jan 19: Carter / Thomas
Jan 26: Carter / Thomas

DUFFERIN ROCKS!

At Dufferin Elementary we follow our ROCKS matrix. ROCKS stands for:

Respectful
Organized
Caring
Kind
Safe

This month we are going to be working on **SAFE!** We will be reviewing how to be **SAFE** for the month of January. The staff is on the look out for students who are displaying our **ROCKS** motto. Round snowflake tickets will be handed out and put on our snowman in the entrance for students who are caught doing this!

We will also be working on strategies to deal with peer conflicts (TILT):

T = Talk to the person
 I = Ignore
 L = Leave
 T = Tell an adult

If you could review all of these expectations as well as the parent/student handbook with your children at home it would help us maintain a positive school culture at Dufferin. A copy of the ROCKS Matrix can also be found in the student agenda. A copy of the parent/student handbook can also be found online.

The School District has also revised the CODE OF CONDUCT. Copies of the new CODE OF CONDUCT are on the school website as well as posted around the school.
