If you see a bear at a campsite or near your home, move slowly towards the closest, safe place.

A safe place is inside a car or a building, or with a group of people standing together.

15 Never run from a bear. Like a dog, it may chase you.

When you are in bear country, stick with a friend.

If you surprise a bear up close in the wilderness, DON'T TURN AND RUN. Move closer to your friend.

The bear may come closer, stand upright to get a better look or circle around you to get your scent.

16

Wave your arms slowly and talk calmly to the bear. Help it figure out what you are.

Whoa bear... easy bear...

The bear may talk to you in its own language... popping its teeth, huffing and growling... telling you to go away.
