## **Satisfaction Survey 2014/2015**

The Provincial Satisfaction Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2015 the Satisfaction Survey will be administered to students in grades 4 and 7, their parents, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at:

[http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey).

Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. All that is required is a logon number that the school will provide to participants. Provincial, District and School Reports for previous years can be viewed at the same site, without a logon number.

The e-survey site will be open early in the new year until the end of April, 2015.

If you have not received your logon number by the first week of March, 2015, please contact the school at 250-374-4425.
