

# CODE OF CONDUCT

The Code of Conduct is intended to encourage acceptable student behaviour in order to establish and maintain a safe, respectful and caring learning environment. This code will clarify expectations for student behaviour while at school, while going to and from school, while attending any school function or activity at any location, or in other circumstances where engaging in the activity will have an impact on the school environment. The Code of Conduct prohibits discrimination on the basis of an individual's or a group's race, colour, ancestry, place of origin, religion, family and marital status, age, physical or mental disability, sex or sexual orientation, and gender identity or expression.

1. Acceptable conduct includes the following:

Students are expected to:

- a) Respect themselves, others, and property;
- b) Attend school regularly and be punctual for all classes;
- c) Engage in purposeful learning activities and set high standards for personal achievement;
- d) Show consideration for diversity: the thoughts, feelings, and heritage of others;
- e) Use electronic systems in a respectful, responsible, and ethical manner;
- f) Conduct themselves in a polite, respectful, and co-operative manner;
- g) Dress in a manner that appropriately reflects a school environment.

2. Unacceptable conduct includes but is not limited to the following:

Students are expected NOT to:

- a) Engage in behaviours that interfere with the learning of others;
- b) Engage in behaviours that create unsafe conditions;
- c) Bully, cyberbully, harass or intimidate others;
- d) Engage in threatening or violent behaviours;
- e) Retaliate against a person who has reported incidents;
- f) Possess, use, or distribute illegal or restricted substances;
- g) Possess or use weapons;
- h) Damage property;
- i) Use personal technology devices, such as cell phones or cameras, during the school day except where expressly authorized.

Students who contravene this Code of Conduct will be subject to progressive discipline, reflective of the age and maturity of the student, any special needs, and the severity and frequency of the unacceptable conduct. The discipline will be fair, consistent, and meaningful, for the purpose of making restitution and enhancing student responsibility and self-discipline. Special considerations may apply to students with special needs if these students are unable to comply with a Code of Conduct due to having a disability of an intellectual, physical, sensory, emotional or behavioural nature. The Board will take all reasonable steps to prevent retaliation by a person against a student who has made a complaint of a breach of a Code of Conduct.

School officials will notify parents, school district officials, and other agencies as deemed appropriate for any particular incident.
